*June 6, 2025* - Gentlemen, it's closing time! There are still a few, very few days left to register and experience a fabulous weekend in the upper Aosta Valley, sharing with friends and rivals the common passion of historic and modern motoring in an extraordinary setting. In a month's time, the third edition of '**Cisalпина Classic Race powered by Allianz Investitori SGR**,' a classic regularity race created by Classic Paddock, is scheduled for **July 3-5, 2025**.

Nourished the group of cars registered for the regularity event that starts and arrives in La Salle, a short distance from Courmayeur, and is artfully designed to give sublime driving sensations on the most scenic roads of the Aosta Valley: on one side historic cars built up to 2000, on the other modern Grand Touring cars built after 2001. The race is on the ACI Sport 2025 national calendar and boasts validity for the Italian Great Events Modern Grand Touring Car and Super Classic Aci Sport championship for historic cars.

The Valdostan event includes many novelties from a logistical and sporting point of view, as well as confirming itself as a privileged meeting place for fans of glamour and *bien vivre* in the shadow of Europe's highest massif: Mont Blanc. A challenging competition of a hundred or so timed trials, punctuated by moments to be experienced with joy: both those of intense competitiveness and the moments of tasting and relaxation among breathtaking Alpine panoramas.

Crews will be amazed by the quality and number of gifts they will find in the "race pack" with the road book: a veritable cascade of good taste and exquisite hospitality, many gifts that will be handed out from the time of race checks until the awards gala:

- N.2 weekends for two by "**NeroLifeStyle**" - *Historic mansions and grand hotels where modernity, elegance and luxury give guests unforgettable emotions.*
- N.10 pairs of **Philippe Model Paris** shoes, *exclusive sneakers resulting from the finest design.*
